La Peste est à Mitakihara

by MiaQc

Summary

Fanfic d'une phrase et crossover entre Madoka Magica et Pathologic.
Je vais peut-être faire une histoire plus complète. Qui sait?

- Translation into English available: The Plague Has Come to Mitakihara by MiaQc

Alors que la Peste de Sable est à Mitakihara, tuant tout sur son passage, Homura demande pardon à Artemy, dont l'âme s'est retrouvée dans sa Soul Gem, avant de remonter encore une fois le temps pour arracher sa précieuse Madoka à la mort pestilentielle.
